

Installation of the Model C-500 Submersible Heater

* The Model C-500 (240 ac) is safe to use in plastic and structural foam tanks.

Updated: May 20, 2009

Have a qualified electrician install a properly grounded receptacle outlet, acceptable for outdoor use and protected from the rain and snow.

Warranty Policy

It is the goal of SPI Industries Inc. to provide our customers with the finest in livestock watering equipment products.

SPI provides a 5 (five) year warranty on any purchase of our livestock watering equipment, which includes the models listed below. This warranty covers defects in the material or workmanship. The warranty however, is limited only to the value of the defected part and does not include any freight charges, loss of production and/or changes in operation. It does not cover damage due to careless machine handling and neglect.

| | |
