# WHY UKAL CANADA?

With more than 50 years of experience, UKAL is the livestock specialist.

Ukal distinguishes itself by providing focussed, customer service, high quality products and expedient order delivery.

Renowned for more than 50 years, UKAL Élevage, a company from Alsace-France, established in 1998, a subsidiary in St-Hyacinthe, Québec - UKAL CANADA, which provides a variety of animal care products via its Canadian distributorship.

UKAL CANADA distributes animal care products like: Stallion, Peach Teat, Heiniger, Speedrite, Patriot, Beaumont, Ketchum, Tru-Test, RJB, Prima-tech, Simcro, Demotec, Roto-clip, Hot Shot, Septicare, Kamer. The company works at developing and discovering new products to satisfy its customers and be able to provide farmers with the proper tools to do the job.

Our products are available at most fine agricultural product stores and online at:
